FOR IMMEDIATE RELEASE

MARUKA FURUSATO Corporation

## Notice Regarding Launch of Nursing Care Project

Maruka Corporation (Osaka-shi; Kunihiko Iida, President & Representative Director; hereinafter “Maruka”), a group subsidiary of MARUKA FURUSATO Corporation, has decided to promote and sell the automatic excretion treatment apparatus that automatically absorbs excretion away from diapers, developed and sold by Promote, Inc. (Sendai-shi; Keiko Saito, President and Representative Director) and to jointly invest in the development of such device with ZUIKO Corporation (Ibaraki-shi; Toyoshi Umabayashi, President and Representative Director; hereinafter ZUIKO).

This project is expected to be one of the effective solutions to reduce various burdens in the field of nursing care along with the aging of the population. Through the partnership with ZUIKO, Maruka will solve problems in the field of nursing care and contribute to realize a sustainable society.
